But when he receives a cryptic message from his missing brother, he must uncover the truth and find the portal before it's too late. At the same time, Koren, a slave in the dragons' realm, discovers she has a gift that could either save or help doom her people. As Jason and Koren work to rescue the enslaved humans, a mystic prophecy surrounding a black egg may make all their efforts futile. There have long been rumors of dragons stealing people to another realm and enslaving them, but Jason did not believe the myths. Meanwhile, a slave girl named Koren has long thought that the myths about a planet where humans are free was a myth. She dreams of freedom but because she is a Starlighter, a powerful visionary, the dragons will never set her free. Told in alternating chapters, Koren's and Jason's stories merge as both use their gifts to battle the dragons and liberate the captives. Both are strong characters who readers will root for from the very beginning. The first in a planned four-book series, there is just...
