Chronicle Books. Paperback. Book Condition: new. BRAND NEW, Worst-Case Scenario Paranormal, Dave Borghenict, Ben Winters, Paranormal activity is BIG in popular culture these days. Vampires, zombies, werewolves, ghosts are everywhere (look out!); on TV, in books, comics, video games and movies, hiding behind your curtains .Luckily, the authors of the best-selling Worst-Case Scenario Survival Handbook series are back with an all-new handbook designed to help readers fend off the furry, fanged, and frightful. They cull expert advice culled from 'real' sources and deliver it in the tried and true WCS action handbook style of punchy bulleted instructions and hands-on action illustrations. Subjects covered include the beasties above, plus witchcraft and wizardry, UFOs, fairies, and more. The scenarios range from funny (How to Host a Cocktail Party When Your House is Haunted) to scary (How to Survive a Zombie Attack) to practical (What to Do If You Have Accidentally Summoned a Demon). This is in the classic 5 x 7 kivar cover handbook format. We might trick out the cover with something extra. All new content. All! New! Content!.
